## USBLN Affirms ADA Principles

Washington, DC (March 28, 2008) – The US Business Leadership Network (USBLN®) affirms its support for the principles of the Americans with Disabilities Act of 1990. As a national business association dedicated to advancing the employment of people with disabilities, the USBLN® is focused on developing meaningful programs and promoting promising practices that further this purpose. In this spirit, the USBLN® continues to educate employers about the benefits of employing people with disabilities.
